

Rockingham

Porcelain/Bone
Tea - Coffee - Teapot
Catalogue

The Rockingham brand is inspired by the famous English porcelain factory with a history dating back to the early 18th century and was designed by the Hawley team in New Zealand with their proud heritage of over 290 years in the United Kingdom and New Zealand china industry.

Rockingham Coffeeware is Italian inspired fully vitrified durable high fired porcelain for commercial or domestic use. Available in a wide range of colours, classical and popular sizes all microwave and dishwasher safe.

Rockingham New Bone Teaware is made in New Bone china and suitable for commercial or domestic use. These classic English inspired teacups are perfect for the traditional cup of tea and are complimented with a mix and match of attractive coloured plates and traditional teapots with infusers.

Additional Rockingham items are featured on our website
www.andrewhawley.co.nz and in our other Rockingham catalogues:

- Rockingham Metal and Stainless Steel Kitchenware and teapots
- Rockingham Porcelain tableware
- Rockingham Glassware
- Rockingham Cutlery

Brown Betty Teapots

Traditional English Teapots

Made from finest quality red Staffordshire clay these round teapots brew an excellent cup of tea. The shape of the pot assists with the tea infusion allowing the tea freedom to swirl in the pot.

These teapots have survived the test of time and are supplied to world famous companies such as Fortnum and Mason.

Two sizes available 2-3 cup and 4 cup.
